## QSD chairman's message 2010

Dear Guests, Members and Friends,

Welcome you all to the 2010 Quantity Surveying Division Annual Dinner.

This evening, we have the honour of the company of our honourable guests, the President of the Institute, the office bearers of the General Council, the members of the Executive Council, past HKIS Presidents and past QSD Chairmen.

Up to now, our QSD Division has over 2,200 members. They are working in various sectors of the construction industry including building works, infrastructure works, building services and maintenance works, and offering contractual and costing monitoring services.

Today, we have signed reciprocity agreements with 12 institutes located in 7 countries. This includes the reciprocity agreement with the Commercial Management Stream of the Chartered Institute of Civil Engineering Surveyors signed in April 2010.

Tonight is a precious opportunity for our fellow members to come together and to share their valuable experience.

The success of this dinner is due to the co-effort of various parties. I would like to take this opportunity to express my sincere thanks to:

- \* our council members for their support and contribution to the division;
- \* our members and the sponsors for their participation in this event; and
- \* the organizing committee for their valuable time and effort in organizing this dinner.

In closing, may I wish you all have an enjoyable evening and a good time.

Best regards,

Daniel Ho

### Newly Qualified QS Welcoming Party

This year 77 young quantity surveyors have passed the Assessment of Professional Competence. As a warm welcome to these new members, a Welcoming Party was held on 8 March 2010 at Backstage Live Restaurant in Central. On this joyful occasion, young surveyors mingled with the QSD council members. We have the honour of having our Senior Vice President of the Institute, Mr. Peter Wong, to give an impressive speech to the new members. This was indeed a very cheerful and memorable evening.
